

Farmington River Coordinating Committee 2019 Scholarship Application

About:

The Farmington River Coordinating Committee (FRCC) was established when 14 miles of the upper Farmington River were designated a National Wild & Scenic River on August 26, 1994. FRCC is comprised of representatives from each of the five towns adjacent to this section of the Farmington River (Barkhamsted, Canton, Colebrook, Hartland, and New Hartford) as well as representatives from the Farmington River Anglers Association, the Farmington River Watershed Association, the Metropolitan District Commission, the CT Department of Environmental Protection, and the National Park Service. FRCC embodies an important partnership of the riverfront-towns and others to provide stewardship of the Farmington River and its upper watershed. For more information about FRCC, please visit www.farmingtonriver.org.
