Notes from Resource Stewardship Subcommittee meeting

1/4/22 6:30 PM

(Held Via Zoom)

Attendance: Alison Jassen (Colebrook), Alison Murdock (New Hartford). Andrew Petitdemange (NPS), Laura Hart (FRWA), Lans Perry (Canton), Susan Peterson (DEEP).

Grant Proposal Recommended For Approval: Motion was made by Jassen and seconded by Perry and unanimously approved by RSSC meeting attendees to recommend that the FRCC approve \$8,484.64 for FRWA's "**Grant Proposal: Quantifying bacteria and nutrient sources to Cherry Brook to develop River Smart solutions for sustainable clean water.**"

Invasives Management: Petitdemange has scheduled virtual meeting for 1PM on Wednesday 1-12-22 with DEEP and others to discuss invasives. Meeting link will be sent out. Goal is to plan coordinated best use of our limited resources. New Hartford Land Trust may have a proposal for invasives control at downtown riverfront park area.

West River Road Project: Project has many issues unresolved and permit work continues. Petitdemange is actively assisting efforts to move permitting process forward.

Hemlock Woolly Adelgid Control project is progressing. Hart noted that funds are ready when bugs are available.

Adjourned at 6:56PM.
